

**BIG SNOW**

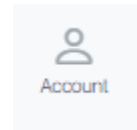

AMERICAN DREAM™

## **Guest's Guide for Group Invitations**

## Account Creation

Firstly you will need to create an account. Head over to <https://bigsnowad.snowcloud.shop/>

From here, you will head over and click on the “account” tab

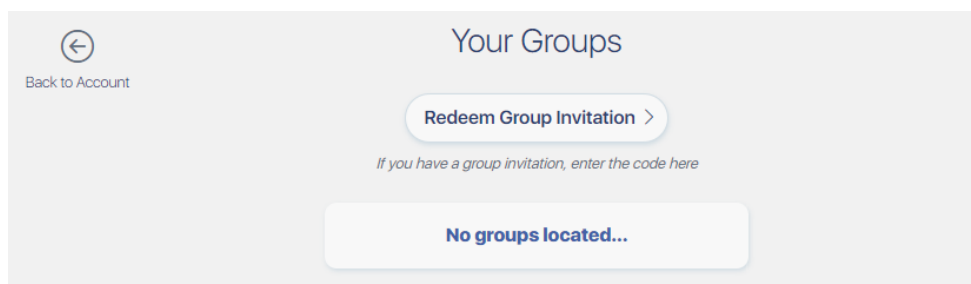

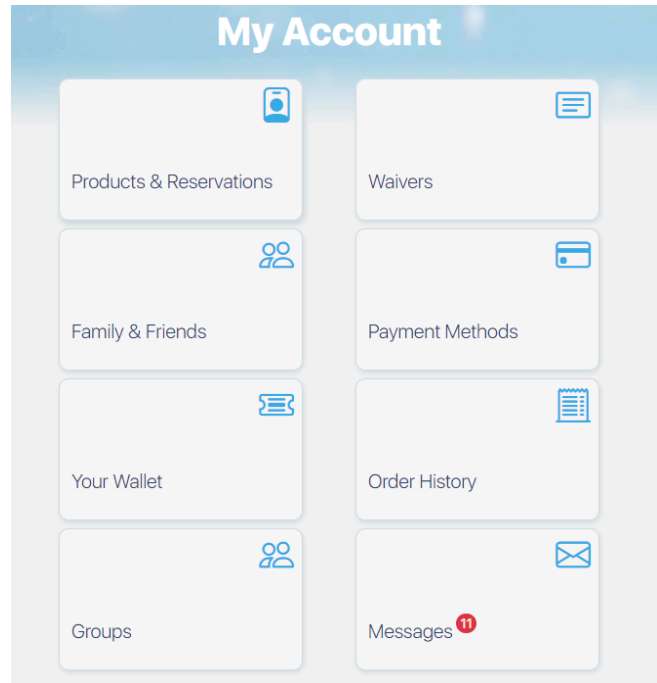

Afterwards you will create an account or login to an existing account with valid credentials.

## Groups Tab and Invitation

Once you have successfully logged in, you can head over to the groups tab. The groups tab is located in the accounts tab.

Once you have logged into your account and are in the accounts tab click on “groups”

\*in this tab you can access a multitude of different items such as your current reservations and previously purchased products.\*

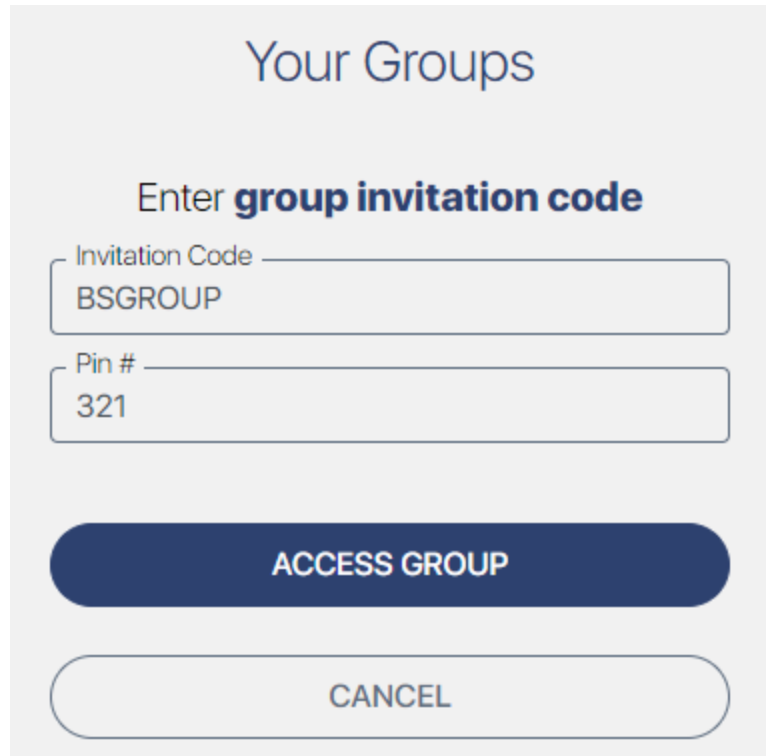

From this screen you can either **select your desired group** which you have been invited to or **Redeem a Group Invitation**. In this demo, we will redeem a group invitation.

After clicking on “redeem” we are prompted with 2 questions.

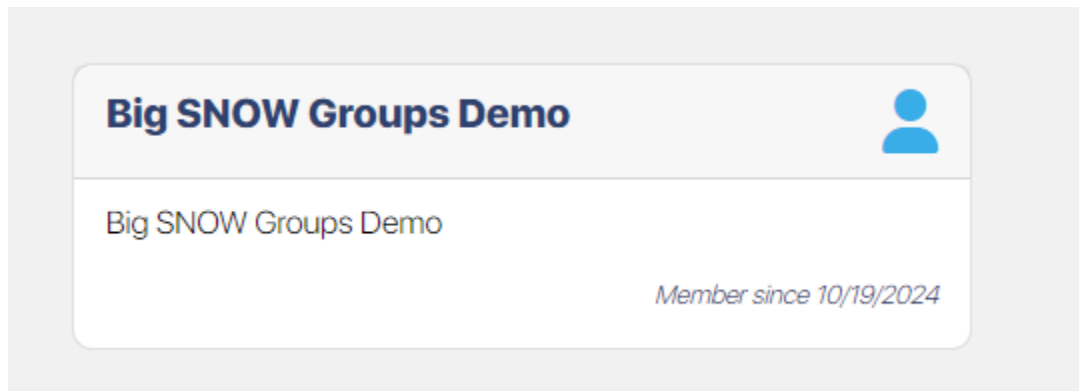

Here we would input the **Invite Code** which you have been given as well as the **Pin**.

For this demo we will use **BSGROUP** for invite code and **321** for Pin

The screenshot shows a light gray background with the title "Your Groups" at the top. Below the title is the instruction "Enter **group invitation code**". There are two input fields: the first is labeled "Invitation Code" and contains the text "BSGROUP"; the second is labeled "Pin #" and contains the text "321". Below the input fields are two buttons: a dark blue button with the text "ACCESS GROUP" and a light gray button with the text "CANCEL".

Afterwards click on **Access Group**

The screenshot shows a white card with rounded corners on a light gray background. At the top left of the card is the text "Big SNOW Groups Demo" in bold blue font. To the right of this text is a blue person icon. Below the title and icon, the text "Big SNOW Groups Demo" is repeated in a smaller, gray font. At the bottom right of the card, the text "Member since 10/19/2024" is displayed in a small, italicized gray font.

Now we have been assigned a group. From here **click on the specific group** you are looking for to **access the group portal**.

## Groups Portal and Checkout

From here we click on “**View Products**”
